Beanie

Start with the ribbed band, crochet back and forth in the back loops, turn with a ch1, which does not count as a stitch. You can easily adjust the size of the beanie, the stitches must be divisible with 2.

Ribbed band:

1. Ch11 with colour 1.
2. 1sc in each ch, starting in the second ch from the hook = 10sc. Turn.
3. 1sc in each sc, but in the back loops. =10 sc. Turn.

Repeat row 3 and crochet 90 more rows.

In the next row, row 94, fold the band and crochet together to a ring with sc in the backloops from the right side.. Try it on to see if it fits well. You can adjust the size by crocheting more or fewer rows, just make sure to have an even number of rows (divisible with 2).
