Put the hexagons on the table in front of you with the right side facing down to the table in this order:

Sew the hexagons together in the front loops, (the loops closest to you). Turn your work so you have the hexagons front side up.

Fold the bag like this and sew the rest of the seams.

Turn the right side out

First we are going to make one round with dc round the edge before we continue to crochet the strap.

Now we are going to make the straps.

Start in the ch 3-space shown in picture 1, In the ch 3-space work 2 dc together (1 dc in the ch3-space and on dc in the first st as shown in picture 1), 1 dc in each of the following 17 st, 2 dc together (in the last st and the ch 3-space). (= 19 st) Turn.

(picture 1)

(picture 2)

Ch 2, 1 dc in the next st (= 2 dc together), 1 dc in each of the following 15 st, 2dc together (= 17 st)

Work each row in the same way, (decreasing 2 st each row) until you have 5 st left.

18 rows 1 dc in each dc.

Crochet the strap in the other side in the same way. Sew the strap together in the top.

Work one round sc and one round sl st around the whole bag to keep it from stretching too much:  
(picture at the next side)

Start in the middle of the hexagon at the backside, work 1 sc in each st until one stitch before the 3 dc together from the last round. 3 sc together, (=1 sc in the last st, 1 sc in the 3 dc together and 1 sc in the next st), 1 sc in each st, in the next ch 3-space work 2 sc in the ch 3-space, approximately 96 sc at the side of the strap, 2 sc in the next ch 3-space, 1 sc in each st until you reach the next ch 3-space, 2 sc together, 1 sc in each st and end the round with 1 sl st in the first sc.

Work 1 sl st in each st around the bag, cut and sew the ends.
